FLAG SIGNALS

Chequered

End of the race or practice session

Blue

To indicate that a quicker competitor is closing or trying to overtake.

Green

All clear, at the end of the danger area controlled by yellow flags. Also used to signal the start of the formation lap.

White

A service or slow moving vehicle is on the circuit. The white flag is used to indicate what section of the track the vehicle is in.

Black & White (diagonal)

This is shown with a number board to warn a driver that his track conduct is causing concern and he may be black flagged on further reports.

Yellow

Danger, slow down sufficiently to ensure that full control of the vehicle can be retained. No overtaking. Be prepared to take evasive action or stop if necessary.

Black with Orange Disk

Shown with a number board to indicate mechanical problems of which the driver may not be aware. Driver must return to the pits on the next lap.

Black

Shown with a number board indicating to that driver that he must stop within one lap of receiving the signal and report to the Clerk of the Course. A penalty of exclusion may be enforced.

Black & Yellow (quartered)

Car must slow sufficiently and line up, in order, behind the leader while a hazard is removed from the circuit. The race will resume after a green flag is shown. All laps under this flag count as race laps.

Red

Immediately cease driving at racing speed and proceed slowly, without overtaking and with caution to the pits or startline as indicated by the marshals.

Yellow & Red (stripes)

Slippery surface ahead.

Green, Yellow chevron

To indicate a false start, only used in karting.

Clay Pigeon Kart Club

www.claypigeonkartclub.com

The Clay Pigeon Kart Club host MSUK (Motorsport UK) race meetings here at Clay Pigeon Raceway on the 2nd weekend of the month. They host 10 Rounds a year, starting in February and finishing with their final round in November.

Hosting all the current Motorsport UK classes, there is plenty of new and old competition for all drivers covered over 3 Heats and a Final.

During this period, they host the prestigious Wessex Championship. Up for grabs for the Wessex Championship is the famous WC plate!

Once a year the Clay Pigeon Kart Club host a one off round called:

The Rotax Festival!

The Rotax Festival is usually hosted over two days with many hours of track time.

Clay Pigeon Raceway
**ENDURANCE
PROKART SERIES**

Here at Clay Pigeon Raceway we host the Endurance Prokart Series!

This is held the day after an IKR race meeting. This is usually on the last weekend of each month.

The karts used for this race meeting is the Prokart!
(see page 9 for details)

For 2023 the EPS consists of ONE single championship for the year. This is covered over 8 Rounds, with 2 races per round.

The meeting includes:

Roughly 1 Hour Practice which is followed straight into a
20 - 30 Minute Qualifying.

This is then followed by the races, these being either:

2x: 1 1/2 Hour Races

or

2x: 2 Hour Races

Depending on the time of year the races are held.

The teams for the Endurance Prokart Series can vary from 2 - 4 people per team. This makes the EPS affordable and fun for everyone. With the addition of a friendly atmosphere, the EPS always makes for a great day's racing.

If you don't own your kart and still wish to participate, that is no problem at all! Jeff over at Prokart Engineering has karts for hire.

For more information of the EPS head over to:
www.claypigeonraceway.com/eps

And for Jeff at Prokart Engineering: See page 14

CLAY PIGEON IKR

www.claypigeonraceway.com/ikr

Here at Clay Pigeon Raceway we host our very own Non-Licence Sprint Race meetings!

Normally these events take place on the last weekend of each month for the following classes:

Honda & Rotax Cadet
Prokart
Mini-Max
Junior Rotax
Senior Rotax
177 Rotax
Pitbikes

Plus the occasional visiting classes!

The normal running of an IKR Race Meeting

1 or 2 Practice Sessions
Timed Qualifying
Heat
Pre-Final
Final

All this for just £50! (additional £10 for transponder hire)

We also use a controlled set of Maxxis Sport Tyres which is limited to 4 sets per series. As they are controlled they must be purchased from Clay Pigeon Raceway to be used for the series. They are only £138 for the set, making it great value for money and will last! We also sell the Maxxis SLW Wet Tyres just incase the weather changes it's mind (which it does most times!) These are £150 per set.
